

# Women in 3D Animation and Video Game Art are in High Demand!

Cañada College is a CalWomenTech site — that means female students in the 3D Animation and Video Game Art Program can take advantage of many career resources such as:

- Checking out software and publications that will boost your tech skills through the CalWomenTech Learning Library
- Searching for jobs on the WomenTech E-jobs site
- Reading inspiring role model stories
- Networking with other women in your field through the WomenTech Talk Yahoo Group
- Finding a mentor through our e-mentoring site

Companies such as Electronic Arts and Expresso Fitness need video game testers and artistic interns, starting at **\$11 - \$24 hour!**

Register now for Cañada's new 3D Animation and Video Game Art program in the Multimedia Department. After completing the certification program in one year (full-time) you'll have the skills to become a video game artist, game designer, 3D illustrator or video game tester!

Graduates from this program can begin their career as an entry level video game artist, game designer, video game tester, character modeler, character animator, level design artist or 3D illustrator with opportunities for advancement!
