

# Women in Automotive Technology are in High Demand!

As a CalWomenTech Site, female students in Evergreen Valley College's Automotive Department can take advantage of many career resources such as:

- Checking out software and publications that will boost your tech skills through the CalWomenTech Learning Library
- Searching for jobs on the WomenTech E-jobs site
- Reading inspiring role model stories
- Networking with other women in your field through the WomenTech Talk Yahoo Group
- Finding a mentor through our e-mentoring site

Students who gained hands-on experience by working while in school can **start at \$20/hour!**

Evergreen Valley College's automotive technology students are highly sought after because of the quality of the program, the fact that it is certified by the National Automotive Technicians Education Foundation (NATEF) and accepted by the unions. **The placement rate for students who are pursuing positions in automotive technology is nearly 100%!**
