

Women in Electronics are in High Demand and Make \$17-\$26 an hour!

Irvine Valley College is a CalWomenTech site—that means female students in Electronics and Computer Hardware can take advantage of many career resources such as:

- Checking out software and materials that will boost your tech skills through the CalWomenTech Learning Library
- Searching for jobs on the WomenTech E-jobs site
- Reading inspiring role model stories
- Networking with women technicians via WomenTech Talk Yahoo Group
- Finding a mentor through our E-mentoring website

Electronics is a growing career and experienced technicians can make \$50,000+ a year!

Register now for Irvine Valley College's Electronic Technology program. By earning your A.S. degree or certificate in Electronic Technology, you'll gain the skills to be an entry level engineering technician, computer technician, or electronic technician. Whether you're interested in working in the government, aerospace, or electronics, this program is for you!

Interested in Electronics Opportunities? Contact Ray Chandos, Electronic Technology Instructor at (949) 451-5314 or rchandos@ivc.edu
