

Women Auto Technicians are in High Demand and Earn \$16 an hour!

Las Positas College is a CalWomenTech site — that means female students in Auto Technology can take advantage of many career resources such as:

- Checking out software and pubs that will boost your tech skills through the CalWomenTech Learning Library
- Searching for jobs on the WomenTech E-jobs site
- Reading inspiring role model stories
- Networking with women auto technicians via WomenTech Talk Yahoo Group
- Finding a mentor through our Ementoring website

Automotive Technology is a fast growing industry - experienced automotive technicians can make \$16 per hour to start!

Register now for Las Positas College's Automotive Technology program in the Applied Technologies Division. By earning your A.S degree in Automotive Technology, you'll gain the skills to be an entry level automotive technician. You can also earn a certificate as a Auto Technician or Auto Service Technician.
